

Notices for the Week

Sunday February 8th: Morning worship with Holy Communion led by Barbara Hancock and Pam Humphreys

Sunday February 15th: Morning worship led by Alan Jenkins

Our **Communion collection for February** is for The Rose Road Association. This is a charity that provides a range of care services, including overnight short breaks, onsite and offsite outreach and day services, and telephone advice, for children and young people with complex disabilities and their families, across Southampton and surrounding areas. Their website is <https://www.roseroad.org.uk/>

The profit from Sue's cards go to this charity so do continue to support her in this way.

Teddy's tubs: we are collecting the large plastic sweet tubs for this cause. Please bring any you have – or collected from friends – and put them on the recycling table.

Green Living questionnaires: Sunday 15th February is the deadline for return of our anonymous, personal, environmental lifestyle survey forms. Please put completed forms in the box provided on the recycling table on or before that date. Thank you.

Eco-prayer for February

Sustaining and cherishing God, as Christ's Body the Church, our work and our calling in Christ is to make peace with your Creation, (who we also are.)

Shine brightly on our friendship with Christ, incarnate in the Earth, so beloved to you and the Spirit. Amen

Exchange visit (2027)

Please speak to Joan McGavin if you're interested in the possibility of an exchange visit to our friends in the Rhineland-Pfalz some time next year. (As you'll recall a small group from there came here last November, and it would be good to keep the exchange going, not just in terms of swapping news of our churches.)
